Simple is always classic, stylish and sophisticated. Simple is also always hard to achieve. And that's what we have pursued in Status Bungalows. An architecture so simple yet so aesthetic that it becomes timeless both in form and function.

Straight lines meet geometric shapes, open floor plans blend with thoughtful planning and modern luxuries marry rustic serenity here. The spacious residences are designed to blend in with the environs but also stand out in style. The campus layout has been intentionally kept linear to enhance the sense of community while ensuring exclusivity. The leisure spaces have been scattered across for accessibility.
